

ATTENTION!

THE FARMINGTON ELEMENTARY SCHOOL SCIENCE FAIR IS COMING SOON!

The F.E.S. Science Fair is open to students in K-5th grades.

**NEW WEB INFORMATION IS NOW AVAILABLE ON THE F.E.S. SCHOOL WEBSITE. GO TO THE F.E.S. ACTIVITY TAB TO FIND OUT MORE!
February 22nd, 2018-F.E.S. SCIENCE FAIR**

All interested students are encouraged to participate. Science fair projects at the K, 1st, and 2nd grade level are often models, demonstrations, or collections. However, some students do choose to do experiments. Students from grades 3-5 are eligible to advance to the Regional Science Fair in Mankato. Science fair projects at this level use the scientific method and follow certain guidelines.

WHY SHOULD YOU PARTICIPATE IN THE SCIENCE FAIR? The Science Fair is a creative and fun process. You will learn about science in a way that is interesting to you. You will be recognized in a positive way for your efforts!

Important Dates:

January 4, 2018 @ 6:00	Parent/Student Meeting in Media Center
February 9, 2018	Permission forms need to be turned in!
Thursday, February 22, 2018	FES Science Fair
Saturday, April 28, 2018	Regional Science Fair in Mankato

As the science fair coordinator, I will be available for students to review the progress they are making with their projects and answer any questions. To learn more about the F.E.S. Science Fair, project ideas, or fair guidelines, please go to the science fair page at the Farmington Elementary website. If you have any questions please contact me at **(651) 463-9016** or **dwech@farmington.k12.mn.us**
